**Q We live in a society that sometimes fears those who choose to stand up for the truth. What issues of our day cause you to stand against the voice of popular opinion?**

Today, the church celebrates the birth of John the Baptist — the forerunner of Jesus whom we encountered in the Advent season. The mission of John the Baptist is closely bound to the mission of Jesus; namely he preached conversion and repentance, and in doing so prepared people to hear and accept the message of Jesus. In our own day the church continues John's preaching mission. John preached a word that ultimately cost him his life. It was not one that people wanted to hear, for it was one that required a change of heart. Such prophets often paid the ultimate price for their witness as John did.
